Dear Akeley,

We shall be
in the skin & skeleton
including the tusks in the skull
if you could please
have the latter say the skin is
in perfect shape. If you wish
it, we will pay you the
transport costs. If not, we
will take it for a name
for the Smithsonian Museum, you
already have a bill & a coin
for it. I have shot 3 bulls &
1 cow. I am very much
satisfied.

Osborne will want you to
take the bill for the American
Museum. Do let me see you
in Nairobi. Yours always

Herbert Rossell

Kind regards to Mrs Atkey & yourself
& a hearty welcome back to B.E.A.
